Halal-certifiable
Organic

SUGGESTED USE: 1 packet daily or as directed by a healthcare professional. For best results, take with 8 ounces of juice or other high carbohydrate beverage 1 hour before or immediately after training

NOTICE: This product is intended for use either before or after workouts for a period of approximately 4-6 weeks. After all packets are taken, this product should be discontinued for 2-4 weeks before starting the next cycle.

WARNING: Anabolic activity of this formulation has led to restriction of use by some athletic organizations. Professional athletes should consult their trainer before using this product.

CAUTION: Not for use by individuals under 18 years of age, pregnant or nursing mothers. Consult a physician or licensed qualified healthcare professional before using this product if you have, or a family history of, known medical conditions including high blood pressure, diabetes, breast cancer, prostate cancer, prostate enlargement, heart disease, any cardiovascular disorder, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified healthcare professional immediately if you experience rapid heartbeat, dizziness, blurred vision, nausea, sleeplessness, nervousness or other similar symptoms. Maintain sufficient fluid intake while taking this product. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.

To report any adverse events call 1-800-332-1088

WARNING: This product contains 100mg of caffeine per serving (equivalent to 1 cup of coffee)
